

Celebrate Commemorate Educate

THE YORKSHIRE WARTIME EXPERIENCE

Held in 30 acres of land, to the south west of Leeds, with easy access to the M62 motorway (junction 26), the Yorkshire Wartime Experience provides an opportunity for us to begin to understand what it was like to live through and serve in the wars and conflicts of the 20th century. Visitors can witness battles re enacted in meticulous detail by respected living history groups, walk amongst 'British Tommies' of the First World War, 'GI Joes' from the beaches of Normandy, the Women's Land Army of the Second World War as well as experience many other living history displays covering a period from the First World War to more recent conflicts. There will also be a unique opportunity to experience some of the largest and rarest military vehicles both on static display, and during the daily vehicle parades.

Veteran's groups and old comrades associations are particularly welcome to our Veteran's Village, and are invited to participate in the Commemorative services; which we consider a vital part of the weekend, as we show our respect and gratitude for those who gave their lives in conflict, and those who were prepared to do so. Another vital part of the weekend, is to take the opportunity to provide an educational element of the show, and to this end, Friday afternoon is devoted to visiting school parties who will be able to interact with the living history displays, providing a unique insight to the people and equipment represented. To keep updated with news about the event, please visit our web site.

Entrance prices are: Adults £6.50, Children (up to 16) & Senior Citizens £5, Family (2+2) £20, Under 5's free. For group bookings please contact Debbie on 07872 578081 or Stuart Wright by e-mail to stuart.wright@hotmail.co.uk
